I'll be leaving now to catch the bus No need for you to come out.
But...

It's okay. Buses are more comfortable
Still seeing you after so long..

I thought you weren't interested in me. I didn't think you would follow me all the way here.

You've been avoiding that woman because of me and now you're trying to make excuses?

You can have fun.

But shouldn't you draw the line somewhere?

I will not force you to go to cram school. Instead...
I have a present ready for you on the weekend.
There will be no arguments about this.
I will not accept no for an answer.

At least she didn't stop me from watching dramas

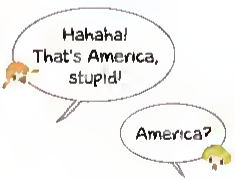
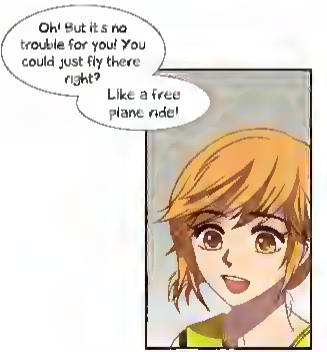
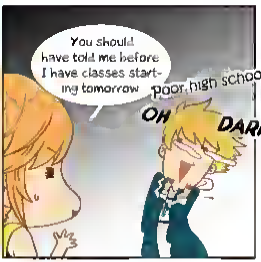
A scene from an American drama



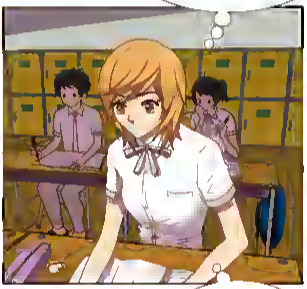
Maybe he's from his amnesia, but sometimes he's illogical



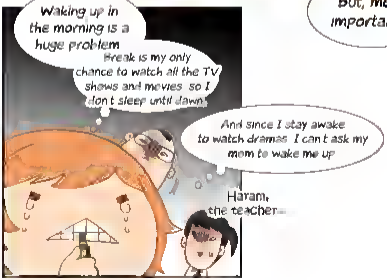
There's no point if I go alone
Why? Some people enjoy traveling alone
For me...
If I go to a place, and stay for a time... I would like a friend to cherish those memories with
I want to share them with someone



End of flashback~

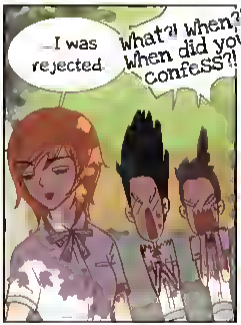


I'll take him to Incheon beach next year after exams
But, more importantly,



Waking up in the morning is a huge problem
Break is my only chance to watch all the TV shows and movies so I don't sleep until dawn.
And since I stay awake to watch dramas I can't ask my mom to wake me up
Haram, the teacher=

Just ask Hanbit-oppa to call you in the morning!
Then you can get close to him and confess

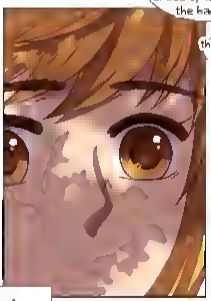


I was rejected
What?! When?! When did you confess?!

You've grown up Amazing
Being rejected is also a rite of passage.
WHAT THE...?

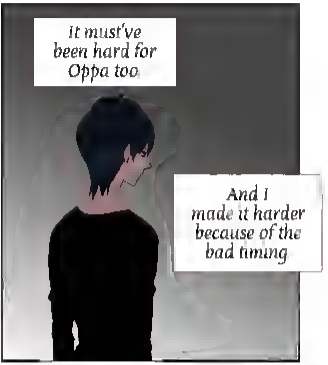
After explaining everything that happened

Rejecting someone is also hard to do
Especially if you cherish that person

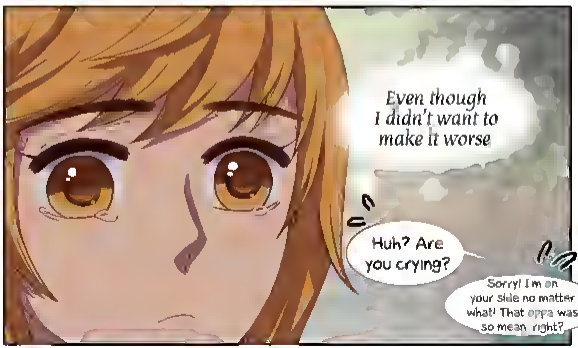


I had to do that once too. It was really difficult. I ended up looking like the bad guy.
Oh, was it that childhood friend in your neighborhood?

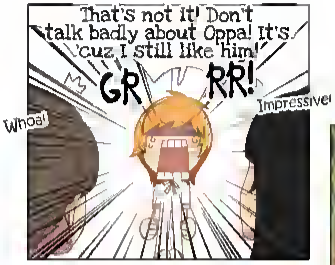
That's right.



It must've been hard for Oppa too
And I made it harder because of the bad timing



Even though I didn't want to make it worse
Huh? Are you crying?
Sorry! I'm on your side no matter what! That oppa was so mean, right?



That's not it! Don't talk badly about Oppa! It's 'cuz I still like him!

Impressive!

He said it's okay for me to keep liking him. And he's not allowed to date anyone else without my permission!
Wow look at you! You're really something
You're so brazen
Hayle

I want to try asking him to call me in the morning! Just let him try refusing! I'll make him regret it!
Yeah, you go Choi Haram!

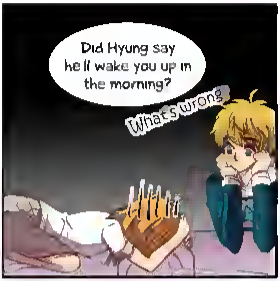
Well?



Did Hyung say he'll wake you up in the morning?
What's wrong

I'm not going to ask Hanbit

Why? Did Hyung refuse?
Don't blow your nose

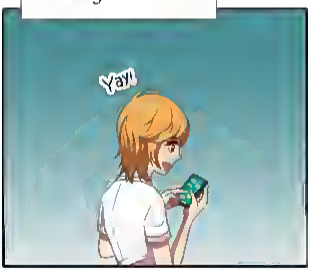
Hanbit agreed to call her in the morning during the break.



So she stayed up all night watching movies, trusting the morning call

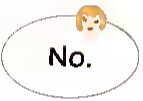
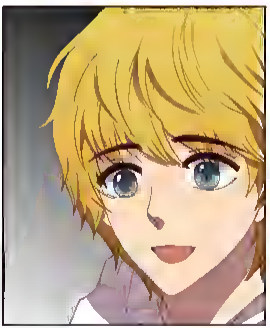
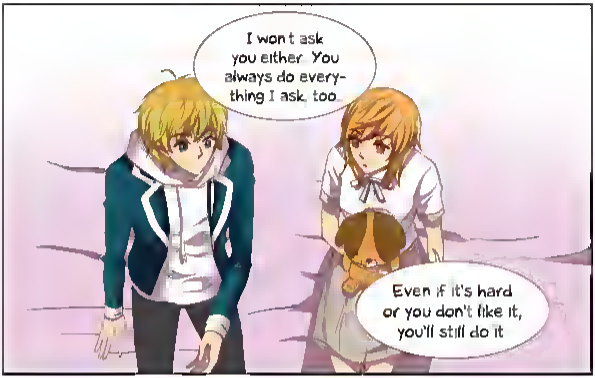
Then I'll wake you up in the morning
I'll sing whatever you want



No.





I won't ask you either. You always do everything I ask, too.

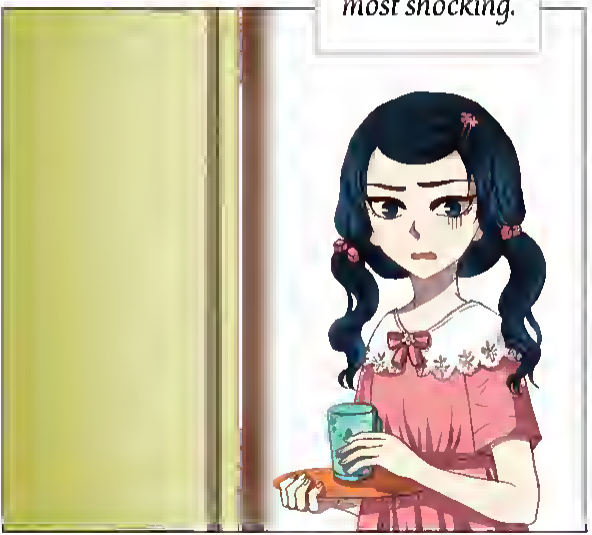
Of all the things she's seen,

this is the most shocking.



Yeah.
Are you awake?

Brother is giving someone a morning call?!

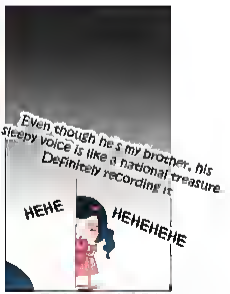
He isn't good at waking up early by himself—
And yet he's waking someone else up?
Pisses me off



Even though he's my brother, his sleepy voice is like a national treasure

Selfish...ness...

Something
everyone has.

Now I think I understand how that feels.

But I don't want to feel anymore than this

Because it s ..

Not something I need
You, think so too, right?

SFX: Tch!

Your sense of "feeling" has improved.
It annoys me but it's what I hoped for
Damn chat

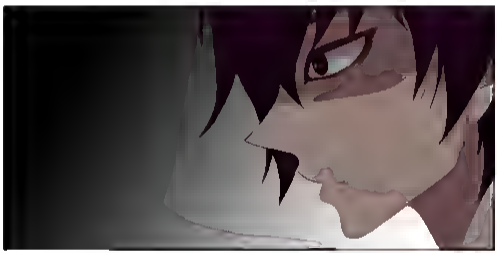
Yes, selfishness You're right It's useless for people like us
But...



It can't be helped, since it's a part of human nature.

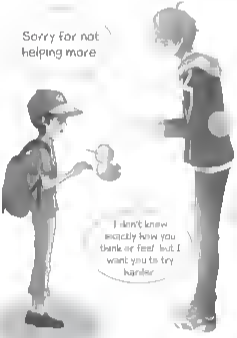
Chapter 49
Mistaken

Yesterday.

First there was this, then there was that.



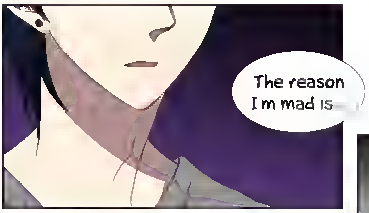
All sorts of things came up

And thus I had no choice but to miss our tutoring session.
Sob Sob

Ung?

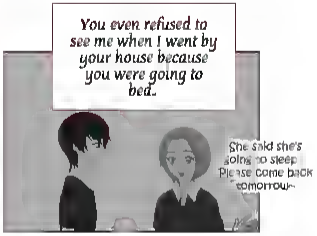
Being formal doesn't work at all
Aaah, someone help me
Oohhh
There's no hole
Ooohhh
But time passed so quickly ever since I began following that boy
Honestly, I tried to make it
Gasp!

In her head



In her head

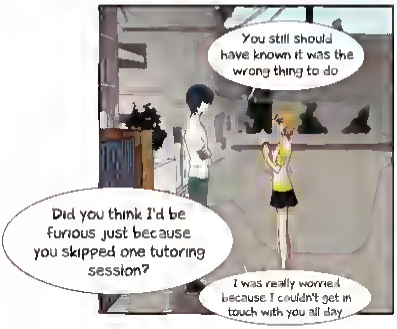
Because you didn't call to inform me. Even a late night call would be fine



You even refused to see me when I went by your house because you were going to bed.
She said she's going to sleep. Please come back tomorrow.

I finaly got you to talk to me a day after at noon.

Th-That is, I was scared I'd be in trouble



You still should have known it was the wrong thing to do
Did you think I'd be furious just because you skipped one tutoring session?
I was really worried because I couldn't get in touch with you all day

Hmph lecturing
Worried?

Why do you need to worry about me? You're not my dad

And it's not like your my boy-friend either

whisper whisper
She's telling him to stop bothering her if they're not going out.
Haram can really be straightforward sometimes
Hehe
I'll bet that shocked Hanbit.

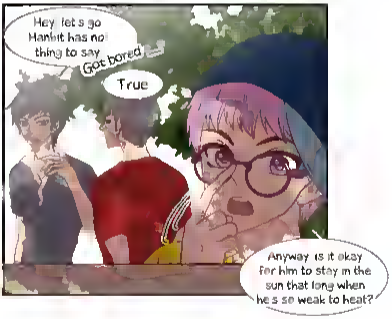
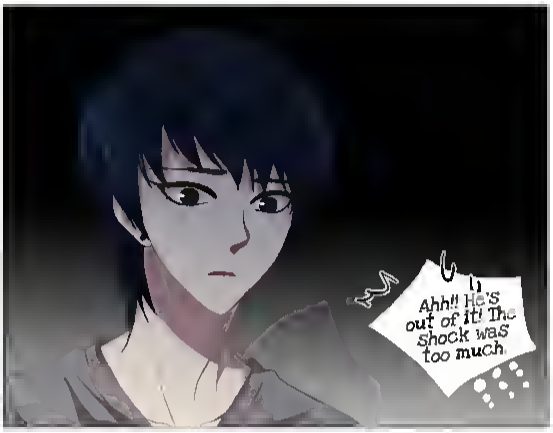
Why is he staying silent when it's so hot outside... but I'm too scared to look at him
Hot



Hey, let's go Hanbit has nothing to say
Got bored
True
Anyway, is it okay for him to stay in the sun that long when he's so weak to heat?



Ahh!! He's out of it! The shock was too much.

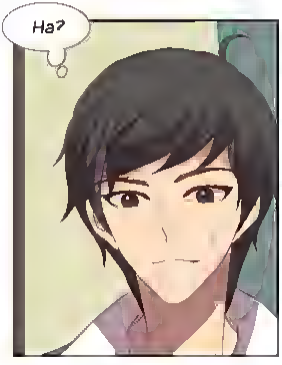
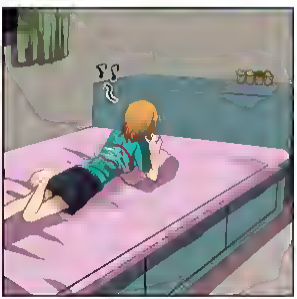
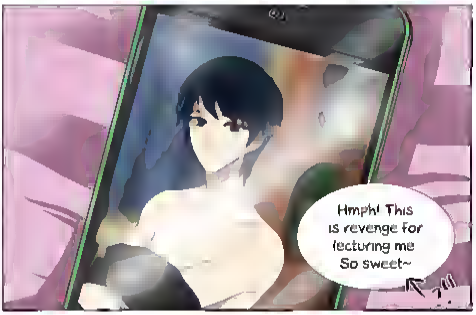
It would've been funnier if you also took off your pants
The pants weren't wet

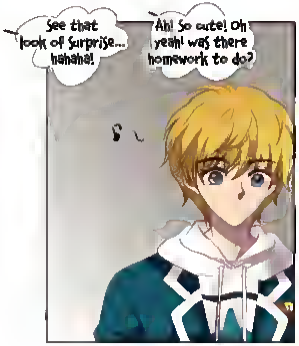


I finally understand your way of thinking
So that's it

You're pretty stubborn...

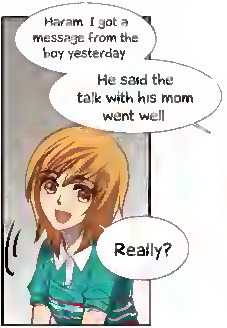






Rrriiingg

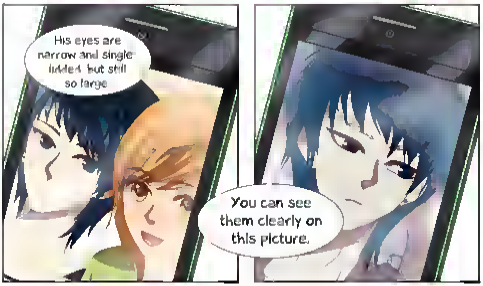
Oh!



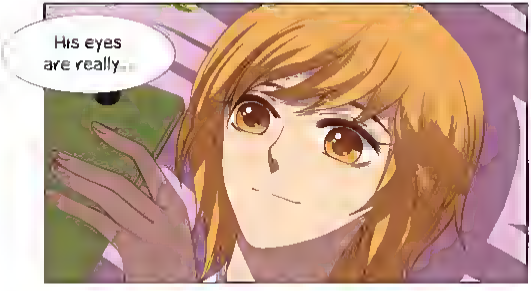
Haram. I got a message from the boy yesterday
He said the talk with his mom went well
Really?

Tell him that's great. And also tell him good job
Okay

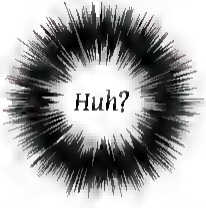
Anyway what's up with that picture? Perverted Choi Haram
I saw my chance and I took it



His eyes are narrow and single-lidded, but still so large
You can see them clearly on this picture.



His eyes are really...



Huh?

Oh.

The person who gave me the ring
The person I confused Hanbit with also had eyes like these.
Is that why I was confused?

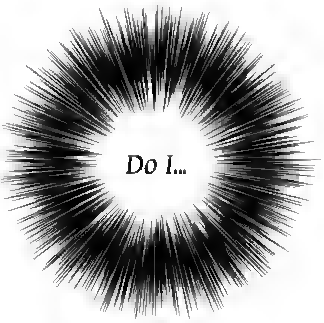
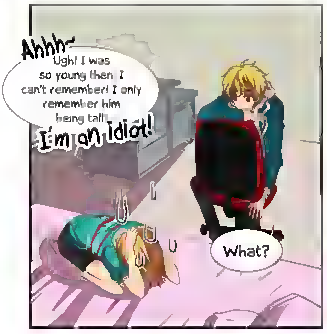
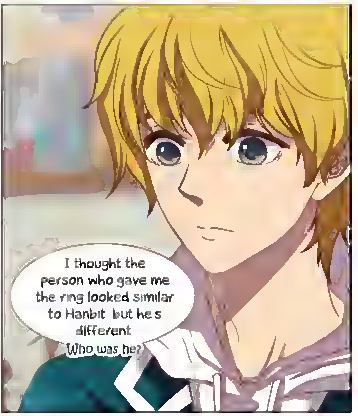
That person's face.



Do I...

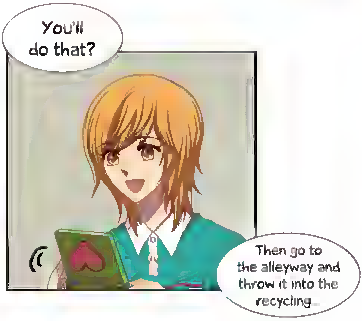


Ahhh~
Ugh! I was so young then. I can't remember! I only remember him being tall!
I'm an idiot!
What?



I thought the person who gave me the ring looked similar to Hanbit but he's different
Who was he?

I'll just throw it away.



Ah, never mind. It'll be better if I do it myself.
Feels wrong to throw it away in my trashcan

I'll just throw it away on my way to school

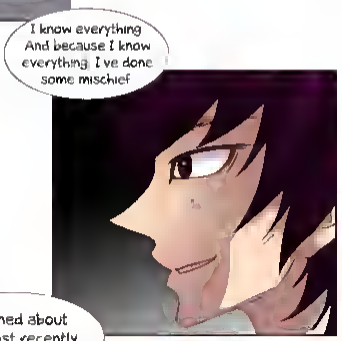
Yeah,
I know you.



I know everything.
And because I know everything, I've done some mischief.
I learned about your past recently "by chance."

Even I'm surprised by how these coincidences all became connected.
GET-UP!
You only have yourself to blame for being unlucky and getting caught by me.
Ah, and also because Hakam likes you.
Think over what I've said. You're probably smart, anyways...

You still can't completely get over it, right?
Traumas aren't something that can be so easily cured after all.
He's made me levitate... what... is this?

Just imagine you're on a rollercoaster.

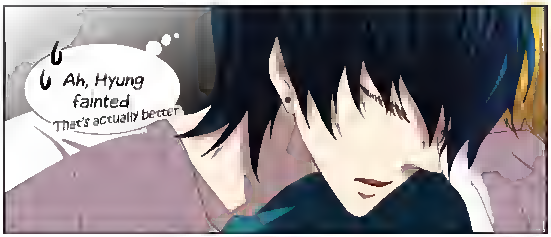
And how can Hanbit Hyung see Yuryung Hyung?



KYAA! A PERSON IN...!

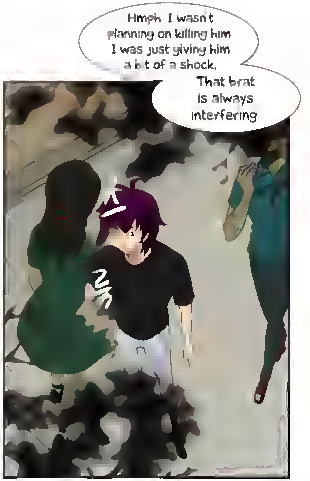
Jiyun-ssi, what are you saying? There's no one there
(TN: -Ssi is equal to saying -san in Japanese, but it's usually more for the girls than guys)

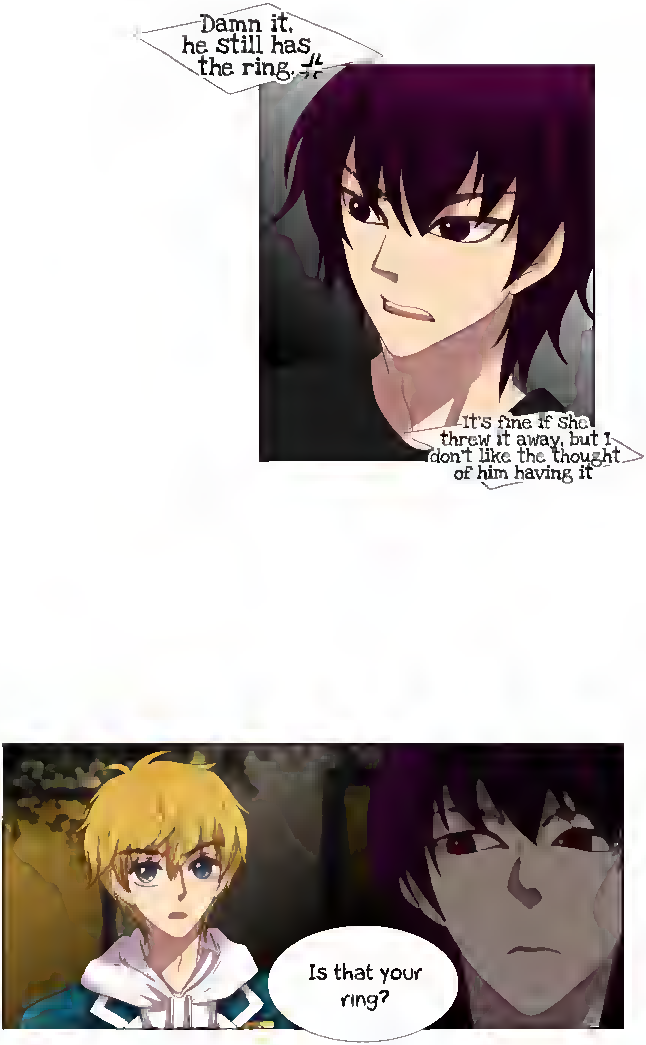
Was I imagining things? I'm sure there was something there, Assistant Manager.
Maybe it's because you're tired from work?

Ah, he's hurt! That must be painful. I'll hide him here first

I'm not going to let it slide today!



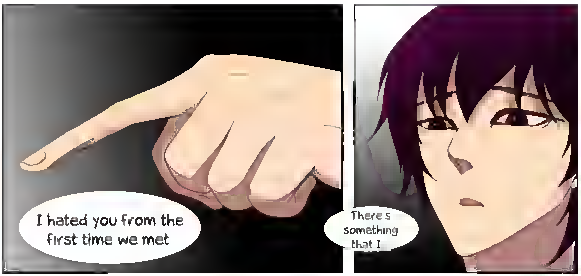
Hmph. I wasn't planning on killing him I was just giving him a bit of a shock.
That brat is always interfering



Damn it, he still has the ring.
It's fine if she threw it away, but I don't like the thought of him having it
Is that your ring?

Why do you continue to bother people? If you don't have a purpose for doing it, please stop!
Yeah, that's right.

I'm harassing them because I'm bored and you're annoying.
I don't have a purpose for doing it.



I hated you from the first time we met
There's something that I

can never obtain, but you can

this Hyung meant earlier if I had, things would have been a lot smoother

Your brain is mush and you just can't turn your thoughts around

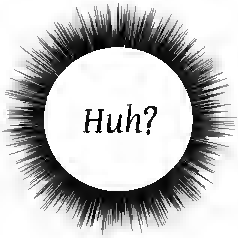
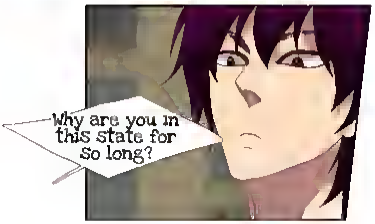
That ring...!
It was yours, but you gave it to Haram?
Why...



Haram definitely said...

No, maybe even longer!

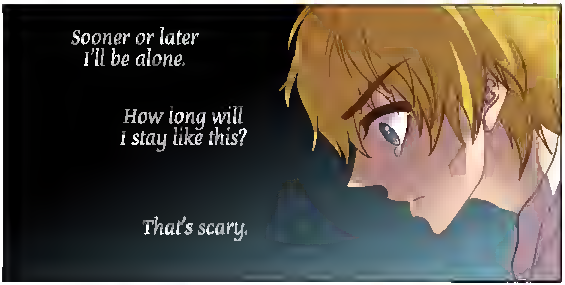


Why are you in this state for so long?

Why haven't you moved on...
Sh
Or rather, is it that you can't move on? Then will I also
PS-

...stay like this forever?
Is there no other way?

haha
You're having fun right now. What's wrong with staying the way you are?
That's not the point!



Sooner or later
I'll be alone.
How long will
I stay like this?
That's scary.

Why the hell are you yelling at me?!
SFX Kicks!!
It's annoying listening to you. You are a ghost just for a few years

falls

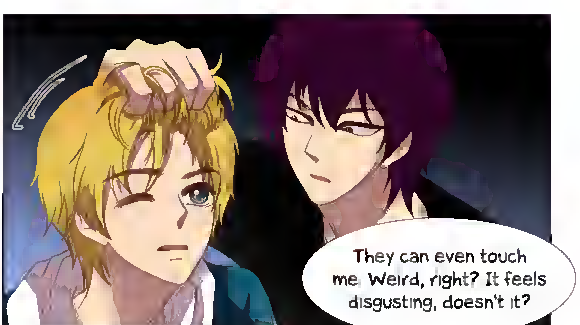
That ring is mine. Whoever holds it can see me.



They can even touch me. Weird, right? It feels disgusting, doesn't it?

You should start to understand after listening to this disgusting story, right?
Why would they be able to see me if they're holding the ring?
That's because
it's mine.
Why would someone be able to see you when they have that necklace?
What?

Wasn't it some-thing that allows them to see all ghosts?
Do you get it now?
I need to go look for that guy.
Wa... Wait! Let's talk about that later If you couldn't move on all this time, what am I supposed to-

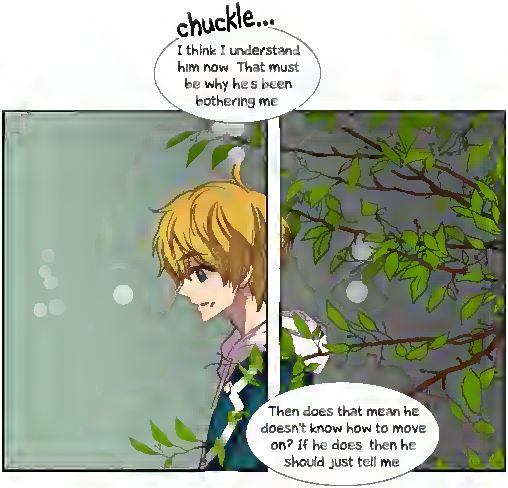
What I'm afraid of.
Is that I may not be able to move on.

I told you
we're different.

Does that mean, unlike that Hyung, my spirit can move on?

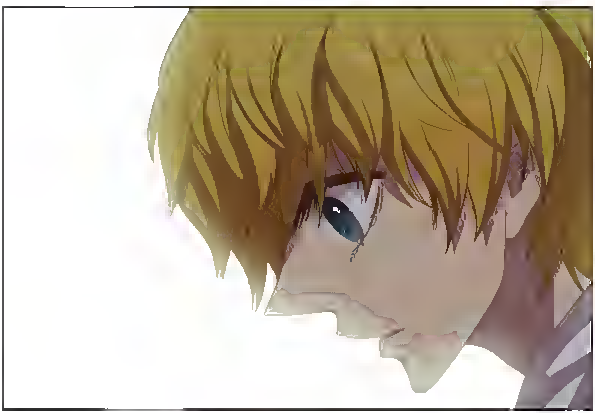
Why have you been in this state for so long?
Why didn't you move on
Or rather, is it that you can't move on? Then will I also
MULLING OVER IT
It seems like that Hyung's spirit couldn't move on



chuckle...
I think I understand him now. That must be why he's been bothering me
Then does that mean he doesn't know how to move on? If he does, then he should just tell me

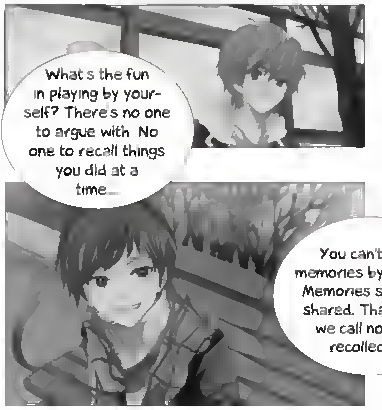
But, can I really just disappear?

I.. don't
want that.



I don't want
to be alone

Ha.
I...
really am...
selfish.



What's the fun in playing by yourself? There's no one to argue with. No one to recall things you did at a time...
You can't make memories by yourself. Memories should be shared. That's what we call nostalgic recollection

There will be someone who can see you.

Then you can be happy.
